... I know all about climate change. I can't wait to talk to you 🗣️

do you know what climate change is?

Yes

Great, can you try to explain it out loud?

I'm finished

nice one!

Climate change is the process of our planet heating up. It's also called global warming

Do you think it is human activity that's making the earth warmer? 🧑

Yes

I don't think so

No idea!
