

# ELLA

*The Leader*

I don't care. I am fearless.  
I'm in the Fearless Five.  
I have no fear

**MAX**  
*The Rock*

**That's why I loved Max, I guessed.  
Because of what he represented.  
Max was my constant.**

# FALLON

*The Weirdo*

She had no idea about emojis or Snapchat or BuzzFeed. I almost envied her, a child wearing teenage skin that was never going to fit.

A person's silhouette is shown from behind, standing on a dark hill. The person is looking out over a landscape with several trees under a cloudy sky. The entire image has a teal or cyan color cast.

# ZANE

*The Bully*

He swore at teachers, shagged  
around, picked fights with any 'poof'  
who dared to argue with him.

# COREY

*The Victim*

If not for his condition, he'd have  
been perfect for the SAS; no way  
was anything going to break him.  
He was a much better  
person than me.
