

# *The River Shannon Project is looking for your stories!*

**What does the River  
Shannon mean to you?  
Perhaps you have a story  
to tell about the River  
Shannon or know of  
friends or relatives who  
have?**

Send your stories to

Irish playwright, Helena Enright is creating a play about the River Shannon and she is looking for your stories. The play will be performed on a boat on the river as part of the Limerick City of Culture 2014.

Plans are also afoot to stream the play  
live on a boat on the Hudson.
