Keith Harrison presents *Joyride*, a one-off live event at Cannock Chase Forest. At dusk a full-size clay replica of the final Rover 75 to leave the Longbridge car plant production line will be released down a temporary 10-metre high ramp accompanied by a specially commissioned soundtrack.

*Joyride* is a one-off event so spaces are limited and booking essential; tickets are £5 per car (tickets are redeemable at the on-site catering for refreshments) and can be booked via Eventbrite.
